

This Traffic Policy & Guidelines (the “Policy”) is a legally binding agreement describing the relationship between Twistbox Entertainment, Inc., (Twistbox) and you as the Affiliate Partner (Partner).

All Partners (such as exchanges, affiliates, affiliate networks, performance networks, media buyers, publishers or other traffic sources) participating in the Twistbox program or promoting Twistbox offers are required to adhere to this Policy and its subsequent amendments made unilaterally by Twistbox. By signing up as a Partner and promoting our offers, Partner acknowledges it has read, understood and agreed to be bound by all of the terms and conditions. Partner further acknowledges the authority of the below-named individual to bind Partner to this Policy. This Policy is merged with and a part of any pre-existing agreements between the parties. The terms of this policy will prevail over any inconsistent term in prior agreements. Violation of any part of this Policy will materially breach this and any prior agreements.

Page views, clicks and purchases must be initiated directly by the mobile phone subscriber. Any method that artificially generates or impersonates human clicks or impressions to our offer(s) is strictly prohibited. These prohibited methods include, but are not limited to, repeated manual clicks or impressions, use of robots, automated click and impression generating tools, third-party services generating clicks or impressions, or any other method or software used to deceive. Other prohibitions include traffic not directly connected to the operator’s mobile data (Wi-Fi traffic), use of iframe(s), page overlays, clickjacking, and incentivized traffic.

Other Restrictions:

- User capping (4 clicks/visits in 24 hours)
- Daily sales capping (to be communicated by your account manager via email)
- No sharing of traffic from, or between other performance or affiliate networks (unless approved by account manager)
- No mainstream or social traffic to adult/sexy offers
- No pre-landers of any type may be used (unless approved by account manager)
- Market content guidelines must be followed at all times
- No app traffic allowed (unless approved by account manager)
- Display ads must be pre-approved by Twistbox
- No proxy traffic

(continued next page)

Twistbox has several confidential fraud-detection mechanisms at its disposal. Twistbox reserves the right to, and will, perform audits on the traffic from Partner and reserves the right to disable monetization of Partner’s entire traffic if any violations are suspected or detected. Twistbox may reroute or otherwise modify Partner’s traffic destination if malicious traffic is suspected until Partner remedies the issue. Twistbox may share any non-confidential findings that violate this Policy and will be reasonable with Partner during any review process. However, if Partner does not adhere to the parameters of this Policy, Twistbox reserves the right, in its sole discretion, to: delay and / or withhold payment during the review process; terminate all agreements; and / or not compensate Partner for fraudulent, malicious, suspicious, or all sales during the reporting period. If this Agreement is terminated or Partner’s account is disabled, Partner will not be eligible for further participation in the Twistbox network. Additionally, Partner agrees to pay for all costs and expenses Twistbox incurs as a result of Partner’s violation of this Policy, including but not limited to monetary penalties the mobile phone operator imposes upon Twistbox and attorney’s fees.
